PCF File Download

http://www.icexindia.com/Exchange_Downloads/TWSDownloads.html

The screenshot shows a Windows Internet Explorer browser window displaying the Indian Commodity Exchange Limited (ICEX) website. The browser's address bar shows the URL http://www.icexindia.com/Exchange_Downloads/TWSDownloads.html. The website header includes the ICEX logo and navigation links: Home, About Us, Products, Regulation, Technology, and Exchange Downloads. A 'File Download' dialog box is open in the foreground, asking 'Do you want to open or save this file?'. The dialog box provides the following information: Name: TWS_VPN_Profile.zip, Type: WinRAR ZIP archive, 588 bytes, and From: www.icexindia.com. It has 'Open', 'Save', and 'Cancel' buttons. A checkbox labeled 'Always ask before opening this type of file' is checked. A warning icon and text are also present: 'While files from the Internet can be useful, some files can potentially harm your computer. If you do not trust the source, do not open or save this file. What's the risk?'. In the background, the 'TWS VPN Profile' link is highlighted with a red box, and a red line connects it to the dialog box.

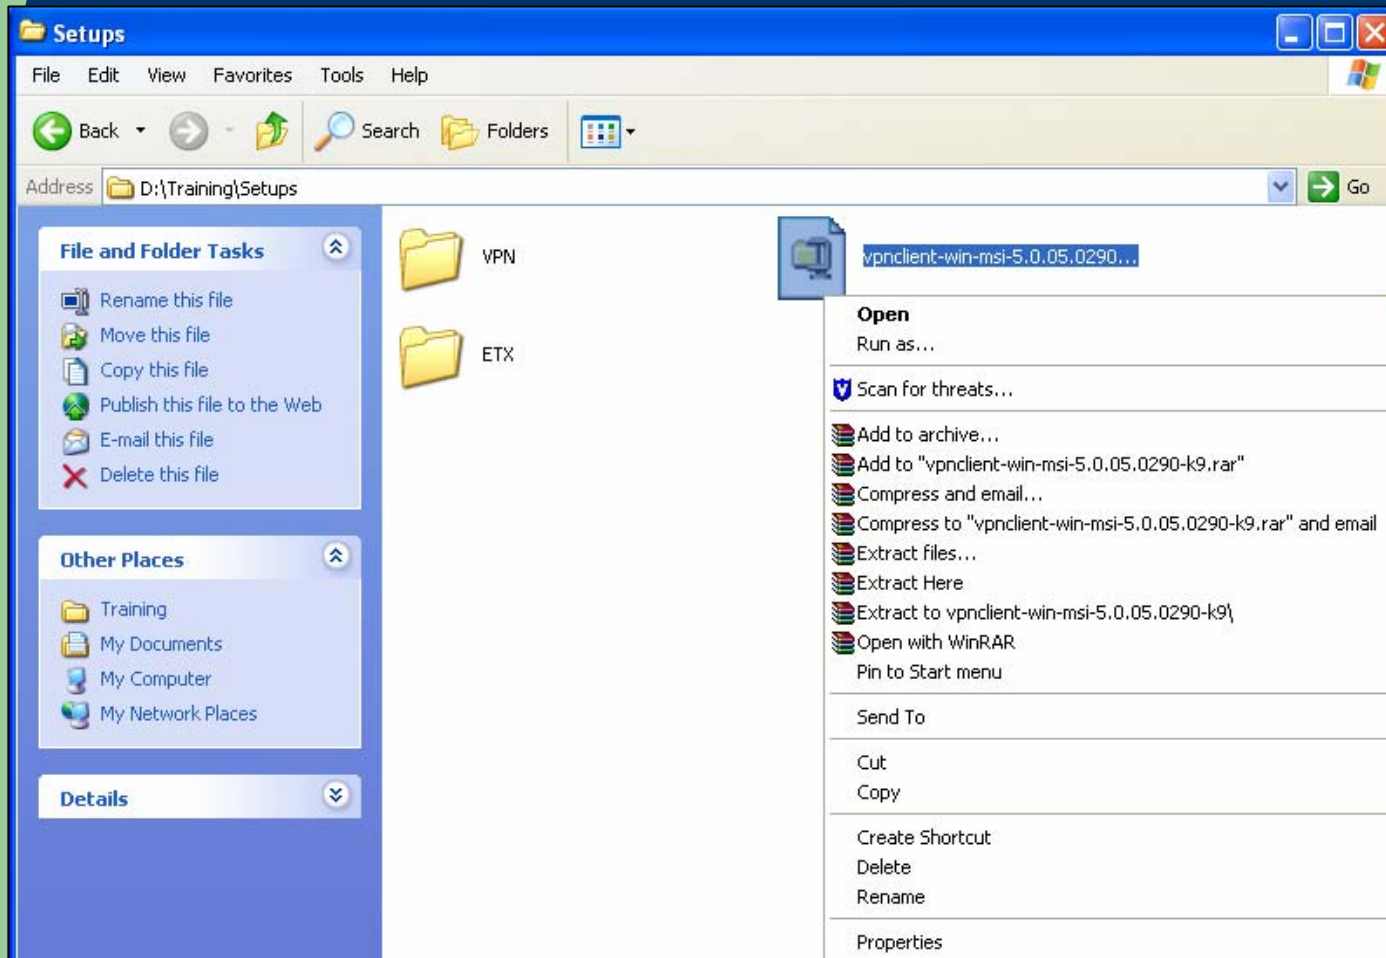

Download the TWS
VPN Profile file
