6	Yes	No	Yes	No	E0, E-2																																																
7	Yes	No	No	No	E0																																																
<p>Delivery Logic</p>	<p>Compulsory delivery with staggered delivery process</p>																																																				
<p>Location premium/discount</p>	<p>Location and grade premium/discount would be announced before launch of the contracts.</p>																																																				
<p>Tender Period</p>	<p>Tender Period to start from 1st of every month, if 1st happens to be holiday , Saturday/Sunday then the succeeding day would be taken as the start day. The tender period would for be available for 5 working days. Accordingly, each month's expiry date may change.</p>																																																				
<p>Delivery Period</p>	<p>Starting from Tender start day till Expiry +1 day</p>																																																				

Buyer's Intention	On all tender days of expiring contract. Buyers giving intention will get first priority to get delivery and rest will be allocated to other buyers on random basis.
Tender Notice by Seller	During the tender and delivery period, the seller can issue tender notice on any working day in a specified format by 7.30 pm through EDCM (Electronic Debit Credit Module) system or any other mode as communicated by Exchange from time to time. At the time of issuance of tender, equivalent quantity must be available with the seller
Tender of physical delivery	If the seller wants to tender delivery in the Exchange, he is required to approach Exchange approved warehouse. Approved Warehouse shall check the documents and if found as per the exchange norms, shall issue WR based on the delivery quantity being within the tolerance limit.
Delivery process	The seller can tender delivery of WR held by him against his sale position. Buyer will get delivery of WR in delivery lot basis equivalent to his allocated quantity. Settlement of quantity variations within the tolerance limit shall be adjusted on the day as per the settlement calendar to be issued by the Exchange. The buyer can collect physical delivery of MS Ingots/Billets on surrender of WR at any point of time.
Dissemination of Information on Tendered Delivery and Buyers Interest	The Exchange will inform members through trading terminals regarding total quantity offered by various sellers and buyers respectively by 8:30 p.m. on the day when Exchange receives tender notice from respective members. Allocation of delivery among various buyers will be done at end of trading session and will be communicated to the buyers to whom delivery is allocated by FTP under Obligation Report or any other mode as communicated by the exchange from time to time.
Tender Period Margin	4% incremental margin for last 5 working days on all outstanding positions. Such margin will be in addition to initial, additional and special margin as applicable.
Exemption from Tender and Delivery Period Margin	Tender & Delivery Period margin is exempted if WR is tendered on designated tender days of the contract month provided the seller submits all documentary evidence relating to delivery.
